

In-depth assessments to deliver actionable intelligence

Using deep-dive interviews conducted either face to face or by phone/skype, Relationship Audits® delivers detailed actionable intelligence to service providers to help them secure and grow relationships with key Clients or Partners

Deep dive relationship assessments

- · Provide an objective and insightful assessment of the strength of the relationship
- In depth one on one interviews of approx. 40 minutes
- Market proven, proprietary 'can opener' questions deigned to unlock relationship dynamics
- · Uniquely, questions grouped by 'opinion' and 'intention' to assesses client/partner commitment rather than simply satisfaction
- Focus on what needs improvement and help as well as where there are opportunities to be leveraged
- · Develop plans to secure and grow client/partner relationships

Identify how committed your clients are

Simple, graphic reporting for easier analysis to guide action

- · Questions grouped into 5 categories for easy analysis
 - Relationship
 - Attitude
 - Delivery
 - Added Value
 - Recommendation
- · Provides a one number 'RADAR' score as well as degree of commitment to the provider
- TIM ('Transform', 'Maintain', 'Improve') chart highlights where action is required

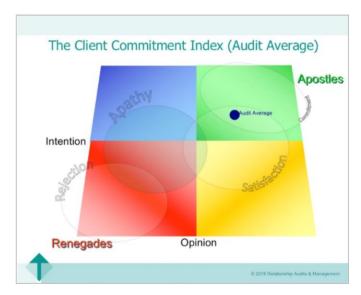

Easily pinpoint where improvement is needed

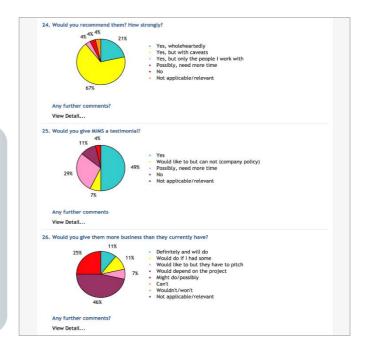

Performance & commitment comparison

- All data kept on secure password protected servers
- Compare vs previous years and vs Relationship Audits[®] benchmarks
- Commitment scores viewable Overall, by Client or by Individual
- Quantitative presentation of answers to qualitative questions,
- Reporting available, by overall audit, client company and individuals
- Reports include multilevel conclusions/learning with clear recommendations for indicated action
- · Create customised reports in MS Word or MS PPT

Multilevel commitment analysis

Quantitative presentation of qualitative data

Pricing that fits your needs

Pricing is determined by the scope of the project, especially

- The number of people to be interviewed at the client/partner company, and
- The anticipated preparation and debrief requirements for learning and recommendations.
- Typically in-person interviews cost more than those carried out by phone
